Importance: High

Follow Up Flag: Follow up
Flag Status: Flagged

Good morning,

I just verified with **DYSART TRUCK STOP** that they are providing all services except the restaurant. They are providing curbside meals, showers, and obviously fuel.

We were also informed the other day that the Maine Turnpike facilities would be open for parking and fuel, but no meals.

We will get the word out on other facilities as we become aware of information.

Best,
Tim
