

Husky fuel update Pam for the EAS/CRS drivers

. Put simply, we are focused on keeping our cardlocks open for you.

- Convenience stores remain open at this time. Staff have been instructed not to touch customer payment cards or smart phones.
- Our operators and their staff are increasing cleaning and sanitizing in our washrooms and showers and are making every effort to keep the showers open and available.
- Convenience stores have stopped selling unwrapped food items such as pastries, soup, hot dogs, fresh fruit and pizza. We have also requested that customers use only disposable cups for beverages.
- Delivery drivers and suppliers visiting our locations have been asked to observe social distancing guidelines and will not exchange materials with our on-site staff.
